Firm Philosophy & Objectives

We provide comprehensive services on a variety of project types. We are large enough to comfortably design major facilities, yet our size still allows our most experienced principals to work directly on projects. We have recruited and maintained a highly talented and motivated staff with diverse project experience. We work together with our clients in a spirit of mutual respect and openness that promotes project excellence.

Geographical Distribution of Work

Nebraska Projects: 90%
Other US Projects: 10%
