#### **Firm Philosophy & Objectives**

TSP is a regional integrated 120-person architectural, engineering, and construction services firm with offices in Nebraska, Iowa, Minnesota, South Dakota, and Wyoming. Our firm was established 80 years ago and has held a steady presence in the Midwest since then. We are a true "full service" firm with support from all engineering, architectural, interior design, and construction services disciplines. Our solutions are balanced between creative design, innovative engineering solutions, and schedule and budget compliance. Whatever our clients' vision, they will find a special team within TSP to help carry out their goals.
